

Vega Interact Dial-a-Story

PROVIDE THIS EASY-TO-USE SERVICE
FOR MEMBERS IN YOUR COMMUNITY

Engage with people in your community who benefit from additional ways to access library materials, such as youth, homebound, people with visual impairments, seniors, and others. Library staff can upload the content they choose to the phone line so users can call in anytime to listen. The library can also provide a menu of options, allowing callers to press a number to select a story.

Creative ways you can use it:

Upload complete audio books
and publish one chapter at a time

Publish a recording of the week's
events at the library

Record one or many short kids
stories to select from

Upload podcasts, music, poems,
jokes, etc
